Step 6: File Upload

Step 7: Review & Submit

Step 1: Article Information

Select your manuscript type. Enter your title and abstract into the appropriate boxes below. If you need to insert a special character, click the 'Special Characters' button. When you are finished, click 'Save and Continue'. [Read More ...](#)

* = Required Fields

* Type:

<input type="radio"/>	Paper	Description
		High-quality original research with conclusions representing a significant advance in the field.
<input type="radio"/>	Letter	Description
		Brief, concise articles, reporting important, new and timely developments. These articles should be deserving of priority review.
<input type="radio"/>	Special Issue Article	Description
		Invited articles which will form a special collection of papers on a specific theme.
<input type="radio"/>	Topical Review	Description
		Written by leading researchers in their fields, these articles present the background to and overview of a particular field, and the current state of the art. Topical review articles are normally invited by the Editorial Board.
<input type="radio"/>	Comment	Description
		Comment or criticism on work previously published in the journal. Usually published with associated Reply.
<input type="radio"/>	Editorial/Other	Description
		Specific content usually invited by the Editorial Board/Office. This includes Editorials for special issues.
<input type="radio"/>	Reply	Description
		Response usually from the authors whose work is criticised in the associated Comment.
<input type="radio"/>	Addendum	Description
		Additional information on previously published work, usually written by the original authors. Not sufficient for a new article.
<input type="radio"/>	Corrigendum	Description
		An article to correct an omission or error in an author's article.
