Part 1 - Subscription Copyright Assignment

Assignment of copyright

1.1 In consideration for acceptance and publication of the Article, the Named Authors of the Article and/or the Institution hereby assign, where necessary by present assignment of future copyright, to IOP with full title guarantee the entire copyright in all original material

published as part of the Article (which expression includes but is not limited to the text, abstract, tables, figures and graphs, related corrigenda or "comments" and multimedia content

but excludes any other item referred to as supplementary material) throughout the world for the full term of copyright (including any extensions or renewals thereof) for all media and formats, whether known or unknown. Such assignment shall be effective only if the Article (or any resubmission of the Article) is accepted for publication. For the avoidance of doubt, copyright does not subsist in any fundamental data underlying the Article and nothing in this agreement is intended to limit access to or use of such data.

1.2 If the Article, or any part of it, is protected by Crown Copyright, in consideration for acceptance and publication of the Article, the relevant Named Authors and the relevant originating department or agency hereby grant IOP a royalty-free worldwide freely transferrable

licence for the full term of copyright (including any extensions or renewals thereof) for all media and formats, whether known or unknown, to do in relation to the

Article all acts restricted by copyright worldwide including, but not limited to, the right of action under section 101A of the Copyright Designs and Patents Act 1988. Such licence shall

be effective only if the Article is accepted for publication and shall be exclusive to IOP for a period of twelve calendar months following the date of online publication of the Article.

Thereafter, the licence shall be non-exclusive.

1.3 In consideration for acceptance and publication of the Article, the Named Authors and/or the Institution hereby grant IOP a royalty-free non-exclusive worldwide freely transferrable licence for the full term of copyright (including any extensions or renewals thereof) to do in relation to any supplementary material not deemed to be part of the Article and/or any video abstract all acts restricted by copyright worldwide. This shall include, but not be limited to, making the material available under any licence that IOP deems appropriate for purposes including, but not limited to, the maximisation of visibility and the long term preservation of the content.

1.4 Each of the Named Authors consents to the publication and processing by IOP of their email addresses.

Representations and warranties

2.1 The Institution and/or the Submitting Author on behalf of the Named Authors (as appropriate) represent and warrant that:

2.1.1 the Article is the original work of the Named Authors;

2.1.2 the Article has not been published previously in any form, other than as part of the Named Authors' research theses or dissertations (which fact has been notified to IOP in writing) or as a preprint, for example on the arXiv.org service;

2.1.3 each of the Named Authors has made a material contribution to the conception and/or writing of the Article, has received the final version of the Article, has agreed to its submission on the terms contained herein and takes responsibility for it and submission has been approved as necessary by the authorities at the establishment where the research was carried out;

2.1.4 the Submitting Author completes and returns this agreement as authorised agent for and

on behalf of all the Named Authors and has the full power to enter into this agreement and to make the grants and assignments it contains;

2.1.5 the Article has not been and shall not be submitted to another publisher prior to withdrawal or rejection by IOP;

2.1.6 the Article does not infringe any third party rights, it contains nothing libellous or unlawful, all factual statements are to the best of the Named Authors' knowledge true or based on valid research conducted according to accepted norms and all required permissions

have been obtained in writing;

2.1.7 the Article expressly acknowledges any third party funding and/or potential conflicts of interest; and

2.1.8 any supplementary material or video abstract is the original work of the Named Authors, or is the property of the Institution, or permission has been obtained from its owner(s) for its publication by IOP and permission has been obtained for the inclusion of any third party content (including music).

2.2 The Named Authors and/or the Institution (as appropriate) indemnify and will keep indemnified IOP against all costs and expenses suffered or incurred by IOP as a result of and/or arising out of any breach of the representations and/or warranties in this section 2.

The Named Authors' rights

3.1 IOP grants the Named Authors the rights specified in paragraphs 3.2 and 3.3. All such rights must be exercised solely for non-commercial purposes. Where possible, any use should

display citation information and IOP's copyright notice, and, for electronic use, best efforts must be made to include a link to the online abstract in the Journal.

Exercise of the rights in paragraph 3.2 may use the version of the Article published in the Journal ("Final Published Version").

Exercise of the rights referred to in paragraph 3.3 must not use the Final Published Version and extend only to the Named Authors' own format (which may include amendments made

following peer review but not any editing, typesetting or other changes made by IOP) (the "Accepted Manuscript") and must be accompanied by the following statement of provenance:

'This is an author-created, un-copyedited version of an article accepted for publication in Journal of Physics A: Mathematical and Theoretical.

IOP Publishing Ltd is not responsible for any errors or omissions in this version of the manuscript or any version derived from it. The Version of Record is available online at [insert DOI].'

3.2 The rights are:

3.2.1 To make copies of the Article (all or part) for teaching purposes;

3.2.2 To include the Article (all or part) in a research thesis or dissertation;

3.2.3 To make oral presentation of the Article (all or part) and to include a summary and/or highlights of it in papers distributed at such presentations or in conference proceedings; and

3.2.4 To use figures and text from the Article falling within the quota outlined in the STM Permissions Guidelines (<http://www.stm-assoc.org/permissions-guidelines/>) at the relevant time in force.

For the avoidance of doubt, the Named Authors retain all proprietary rights in the Article other than copyright.

3.3 Additional rights of the Named Authors are to:

3.3.1 Use the Accepted Manuscript (all or part) without modification in personal compilations of the Named Authors' own works (provided not created by a third party publisher); and

3.3.2 Include the Accepted Manuscript (all or part) on the Named Authors' own personal website(s), institutional website(s) and third party websites in accordance with the Author Rights set out at the following url legal.ioppublishing.org/author-rights on the date of submission of this agreement.

Miscellaneous

4. To the extent that there are moral rights in the Article, all the Named Authors expressly reserve and assert their moral rights to be identified as the authors of the Article.

5. The Named Authors and/or the Institution shall execute such further documents, and take such actions and do such things, as may be requested by IOP at IOP's reasonable expense to

give full effect to the terms of this agreement.

6. For the avoidance of doubt, the grants and assignment envisaged herein shall become effective only upon acceptance of the Article for publication. In the event that the Article is withdrawn prior to acceptance, or is rejected, this agreement shall have no effect and no party

shall be bound by it.

7. This agreement shall be governed by English Law and subject to the non-exclusive jurisdiction of the English courts.

Confirmation

8. By typing the Submitting Author's name into the box at Part 3 below and clicking "Submit", the Named Authors agree to these terms. Authorised signatories of any third party copyright owner(s) agree, on behalf of such owner(s), to these terms by typing the owner's name into the "Institution" box at the top of the page.

Part 2 - Open Access Copyright Assignment

Assignment of copyright

1.1 In consideration for acceptance and publication of the Article, the Named Authors of the Article and/or the Institution hereby assign, where necessary by present assignment of future copyright, to IOP with full title guarantee the entire copyright in all original material

published as part of the Article (which expression includes but is not limited to the text, abstract, tables, figures and graphs, related corrigenda or "comments" and multimedia content

but excludes any other item referred to as supplementary material) throughout the world for the full term of copyright (including any extensions or renewals thereof) for all media and formats, whether known or unknown. Such assignment shall be effective only if the Article (or any resubmission of the Article) is accepted for publication. For the avoidance of doubt, copyright does not subsist in any fundamental data underlying the Article and nothing in this agreement is intended to limit access to or use of such data.

1.2 If the Article, or any part of it, is protected by Crown Copyright, in consideration for acceptance and publication of the Article, the relevant Named Authors and/or the relevant originating department or agency hereby grant IOP a royalty-free worldwide licence for the full term of copyright (including any extensions or renewals thereof) for all media and formats, whether known or unknown, to do in relation to the Article all acts restricted by copyright worldwide.

1.3 In consideration for acceptance and publication of the Article, the Named Authors and/or the Institution hereby grant IOP a royalty-free non-exclusive worldwide freely transferrable licence for the full term of copyright (including any extensions or renewals thereof) to do in relation to any supplementary material not deemed to be part of the Article and/or any video abstract all acts restricted by copyright worldwide. This shall include, but not be limited to, making the material available under any licence that IOP deems appropriate for purposes including, but not limited to, the maximisation of visibility and the long term preservation of the content.

1.4 Each of the Named Authors consents to the publication and processing by IOP of their email addresses.

1.5 Each of the Named Authors and, where relevant, the Institution consents to the publication of the Article under the Creative Commons Attribution 3.0 Unported licence (<https://creativecommons.org/licenses/by/3.0/>) or any successor to that licence.

Representations and warranties

2.1 The Institution and/or the Submitting Author, on behalf of the Named Authors (as appropriate) represent and warrant that:

2.1.1 the Article is the original work of the Named Authors;

2.1.2 the Article has not been published previously in any form, other than as part of the Named Authors' research theses or dissertations (which fact has been notified to IOP in writing) or as a pre-print, for example on the arXiv.org service;

submission on the terms contained herein and takes responsibility for it and submission has been approved as necessary by the authorities at the establishment where the research was carried out;

2.1.4 the Submitting Author completes and returns this agreement as authorised agent for and

on behalf of all the Named Authors and has the full power to enter into this agreement and to make the grants and assignments it contains;

2.1.5 the Article has not been and shall not be submitted to another publisher prior to withdrawal or rejection by IOP;

2.1.6 the Article does not infringe any third party rights, it contains nothing libellous or unlawful, all factual statements are to the best of the Named Authors' knowledge true or

based on valid research conducted according to accepted norms and all required permissions

have been obtained in writing;

2.1.7 the Article explicitly acknowledges any third party funding and/or potential conflicts of interest; and

2.1.8 any supplementary material or video abstract is the original work of the Named Authors, or is the property of the Institution, or permission has been obtained from its owner(s) for its publication by IOP and permission has been obtained for the inclusion of any third party content (including music).

2.2 The Named Authors and/or the Institution indemnify and will keep indemnified IOP against all costs and expenses suffered or incurred by IOP as a result of and/or arising out of any breach of the representations and/or warranties in this section 2.

The Named Authors' rights

3.1 The Named Authors and all third parties will have the rights to use the Article as described in the licence applied to the Article pursuant to paragraph 1.5, above, which shall include the right to copy, distribute and display the published version of the Article and create

derivative works, subject to appropriate attribution.

3.2 Where the Article is used in accordance with paragraph 3.1 above, the following

attribution shall be included:
