Section 5.4 of our paper [1] requires a clarification and a correction.
[1] Hanson A J, Ortiz G, Sabry A and Tai Y T 2013 Journal of Physics A: Mathematical and Theoretical

Funding ❓

* Is there funding to report for this submission?

○ Yes   ◉ No

Colour Printing

☐ Colour printing policy and pricing guidelines.
I would like colour printing (and understand that I may be charged).

---

* **Permission to Reproduce Published Material**

If this article contains material which has been published previously (such as short extracts, diagrams or tables) then you must obtain the written permission of the author and the publisher concerned before this article can be accepted for publication in any IOP journal. For more information, please see our Reproducing published material guidelines.

Have you reproduced previously published material in your submission?

○ Yes

◉ No

If yes, list here (eg Figure 1, Table 2)
You may attach the permissions you have obtained already in the 'File Upload' step.

[   ]

Promotional Image Usage

☑ IOP Publishing occasionally selects images from papers to use in journal promotional materials, the journal cover (where appropriate) and broader IOP Publishing literature. Please tick this box to confirm that we have your permission to use images from your paper in this way.

---

* **Open Access**

This journal offers authors the option to publish their article under an Open Access licence.
Do the authors wish to request Open Access publication for this article?

○ Yes

◉ No

Please note that if you choose this option and your article is accepted following peer review, an article processing charge is payable prior to publication. More information on IOP's Open Access policy and processing charges is available here.

Articles funded by the Austrian Science Fund (FWF)

IOP Publishing has a centralized Open Access funding agreement covering article processing charges for work funded by the Austrian Science Fund (FWF). For full details about the agreement and qualifying criteria click here.

☐ The research in this article has been funded by the FWF and the Open Access article processing charge will be covered by this agreement.

Authors affiliated to UK Institutes

IOP Publishing has Open Access funding agreements with several UK institutes. If you or one of your co-authors of this article is affiliated to one of the participating institutes, all or part of the article processing charge may be paid for by that institute. For a complete list of the participating institutes, and details on how to seek funds to cover the Open Access article processing charge, click here.

I or one of my co-authors is affiliated to the following participating UK institute:

[   ]

(Note: Authors are required to seek confirmation from their institute that the article processing charge for Open Access will be covered through a central fund).

Is there any other information relevant to the open access publication of this submission?

If you have refereed for this journal in the last 12 months, you may be entitled to a discount on the open access article processing charge. Please supply any relevant ArticleID number(s) of the paper(s) you reviewed in the box below. Terms and conditions apply.

* Ethical Policy
All authors submitting to journals published by IOP Publishing are required to abide by its ethical policy.

Please tick here to confirm that you have read and understood the ethical policy and that your submission complies with its terms.
